## B. Submitting Comments

Please include Docket ID **NRC-2016-0064** in the subject line of your comment submission, in order to ensure that the NRC is able to make your comment submission available to the public in this docket.

The NRC cautions you not to include identifying or contact information in comment submissions that you do not want to be publicly disclosed in your comment submission. The NRC will post all comment submissions at <http://www.regulations.gov> as well as enter the

comment submissions into ADAMS, and the NRC does not routinely edit comment submissions to remove identifying or contact information.

If you are requesting or aggregating comments from other persons for submission to the NRC, then you should inform those persons not to include identifying or contact information that they do not want to be publicly disclosed in their comment submission. Your request should state that the NRC does not routinely edit comment submissions to remove such information before making the comment submissions available to the public or entering the comment submissions into ADAMS.

## **II. Background**

In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the NRC is requesting public comment on its intention to request the OMB's approval for the information collection summarized below.

1. *The title of the information collection:* NRC Form 850A, "Request for NRC Contractor Building Access," NRC Form 850B, "Request for NRC Contractor Information Technology Access Authorization," and NRC Form 850C, "Request for NRC Contractor Security Clearance."

2. *OMB approval number:* 3150-0218.

3. *Type of submission:* Extension.

4. *The form number, if applicable:* NRC Form 850A, NRC Form 850B, and NRC Form 850C.

5. *How often the collection is required or requested:* On Occasion.

6. *Who will be required or asked to respond:* NRC contractors, subcontractors and other individuals who are not NRC employees.

7. *The estimated number of annual responses:* 500.

8. *The estimated number of hours needed annually to comply with the information collection requirement or request:* 85.

9. *Abstract:* Part 10 of title 10 of the *Code of Federal Regulations*, “Criteria and Procedures for Determining Eligibility for Access to Restricted Data or National Security Information or an Employment Clearance,” establishes requirements that individuals requiring an access authorization and/or employment clearance must have an investigation of their background. NRC Forms 850A, 850B, and 850C will be used by the NRC to obtain information on the NRC’s contractors, subcontractors, and other individuals who are not NRC employees and require access to the NRC buildings, IT systems, sensitive information, sensitive unclassified information, or classified information.

### **III. Specific Requests for Comments**

The NRC is seeking comments that address the following questions:

1. Is the proposed collection of information necessary for the NRC to properly perform its functions? Does the information have practical utility?
2. Is the estimate of the burden of the information collection accurate?
3. Is there a way to enhance the quality, utility, and clarity of the information to be collected?
4. How can the burden of the information collection on respondents be minimized, including the use of automated collection techniques or other forms of information technology?

Dated: September 2, 2016.

For the Nuclear Regulatory Commission.
